Memories . . .
composed of infinite dreams . . .
of aspirations won or lost . . .
of goals worth striving for . . .
we have our yesterdays . . .
forever a part of us.
Our tomorrows are yet to come . . .
bringing new days to hold
the secrets of our hearts . . .
'till our tomorrows become our

 Debbie's street?") Any-
 way, it's been so much
 fun - ("NUD IT!") Promise
 that you will have
 a reunion slumber
 party when we all
 get home from
 college.
 Love,
 Debbie

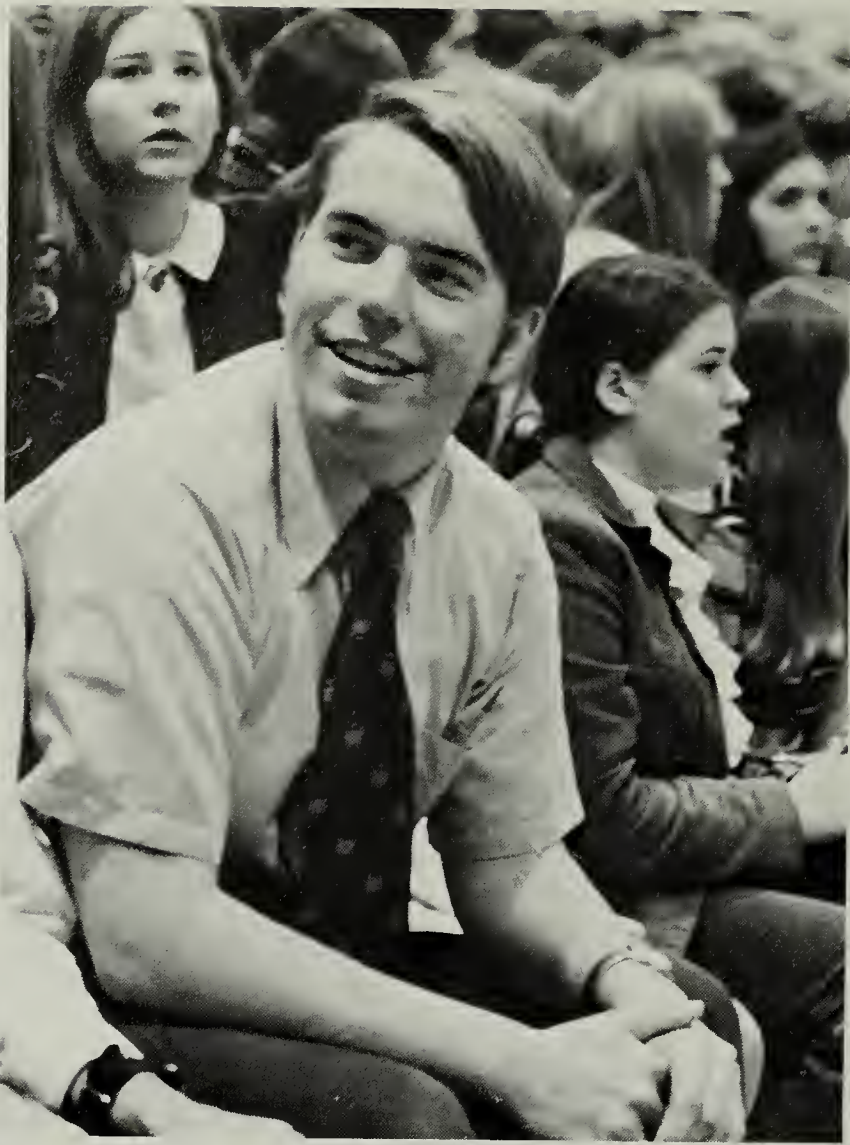

Dear Sis,

SENIOR CLASS OFFICERS

This year we have felt love, sorrow, anxiety, relief, joy, and pain. We are now adults ready to go out into the world with all our hopes and dreams of our future. But let us not pass by those in need; let us contribute to each person we encounter. Let us seek understanding of our world and grasp the meaning of life. Let us try to create more unity by instilling peace and love into our daily lives. Looking back on our years we recall good times, friends, excitement, and tears of joy. We leave with our memories and face the future—a future of PEACE, LOVE and HOPE.

COBRA MEETS GOAT.

Early Saturday morning, October 10th, approximately 300 alarm clocks sounded over sleepy Springfield. The owners were the members of the Class of '71 and the event was the annual Senior Class Trip to Annapolis.

When the Seniors arrived at the Academy, everyone took off in a different direction; but managed to be back in time for the Navy—"Pitt" game. Navy lost its Homecoming by a close score of 10—8; however, the spirit and enthusiasm of the Senior class was undaunted as they boarded the buses to return to Springfield.

MY
 SISTER
 EILEEN
 IS A
 HIT.

The Senior Class presentation of "My Sister Eileen" reflected the hard work and energy of the talented cast and competent stage crew. The play centered around two sisters who went to New York to seek their fortune. One, played by Jeanette Dulong, wished to become a writer; the other, played by Cindy Mundy, wanted to become an actress. Their humorous experiences ranged from meeting Brazilian Navy officers to arguing with their Italian landlord, Steve Burns. Thus the spirited comedy, under the able direction of Mrs. Sotirchos, proved to be the biggest success in Lee's history.

MR. WILLIAM E. JACKSON, JR., PRINCIPAL

A school's greatness is measured by the spirit and enthusiasm of its student body; and by a capable faculty and staff interested in young people.

Lee High School has these ingredients, along with a student body of young men and women who strive for excellence in academics, as well as in sports and extra-curricular activities. These young people are fortunate to be guided by teachers and administrators who support these endeavors.

My first year as principal has been a rewarding experience and I am proud to be part of such a school. I wish the graduating class of 1971 every success and I am optimistic that the future graduates will uphold the ideals and traditions which have established Lee as one of the finest schools in Fairfax County.

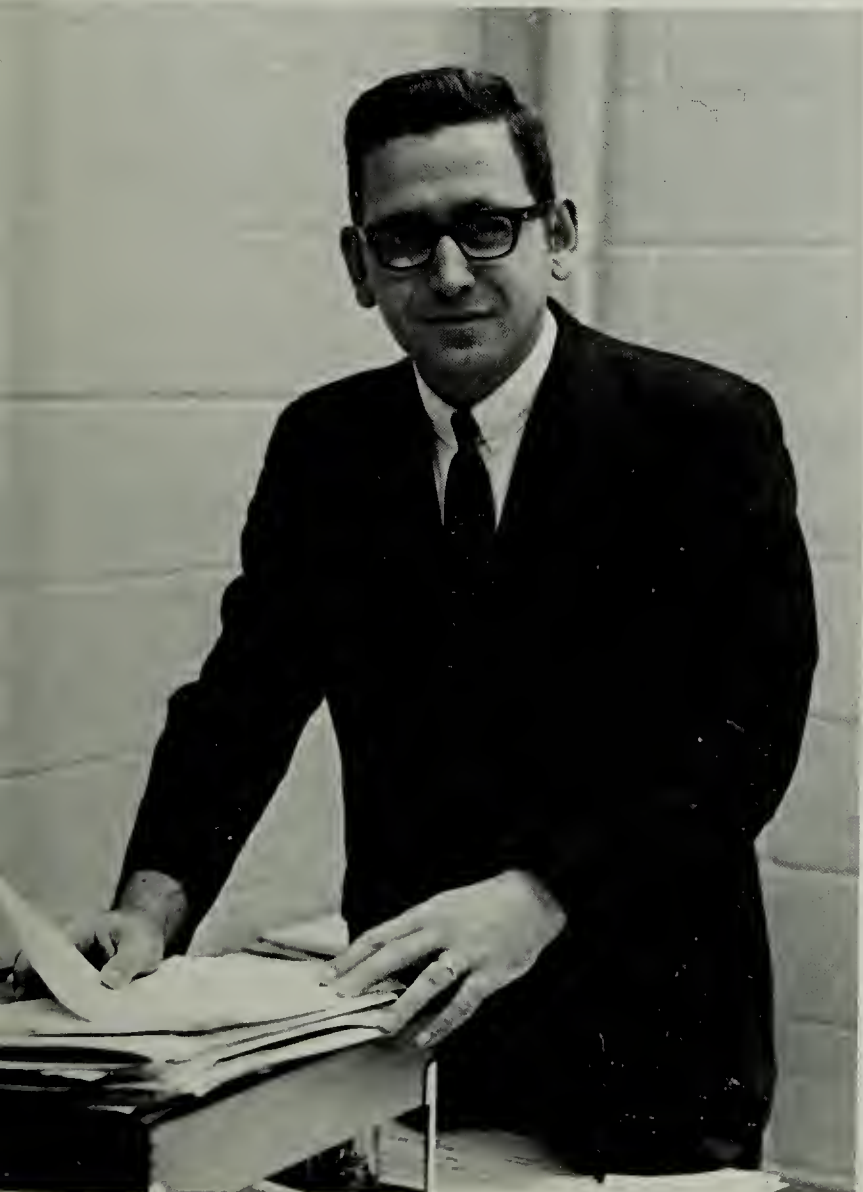

William E. Jackson, Jr.

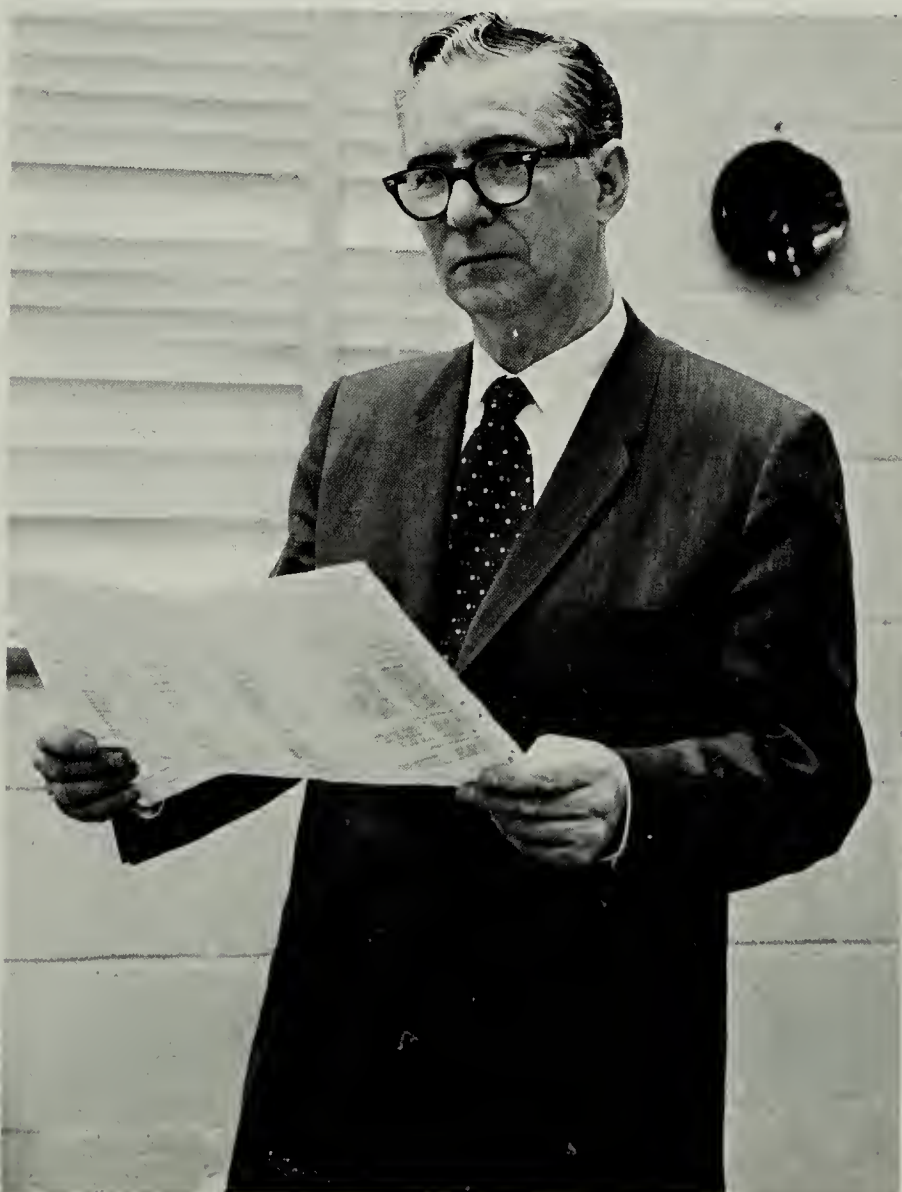

Robert E. Lee High School is Fortunate in having three fine and dedicated administrators in General Norell, Mr. Baumgartner and Mr. Biglin. Their duties are varied, ranging from the ordering of textbooks to disciplinary action, (and last but not least, being a parking lot attendant!) Their presence is felt if not seen in all facets of life at Robert E. Lee.

SUPERSTITION HAUNTS LEE'S HOMECOMING.

The theme for the 1970 Homecoming was "Superstitions. This was in honor of the 13th year and also, Halloween. The student body was full of spirit the whole week. Everyone was thinking of different ways to have good luck on Friday night at the game. Classes decorated their halls, built floats and bought spirit blocks in the Victory Block Game. Gypsies told fortunes in the cafeteria. The follies were on Thursday night, and the spirit drum was heard all night long. The Lancers mashed Madison as the fans cheered them on to victory Friday night. The week came to a climax at the Homecoming Dance Saturday night when the Queen and her court were presented. People danced to the music of the "Tornadoes". It was a great homecoming.

EXCHANGE STUDENTS

1st Row: Karen Fant, Jeanne Mershon. **2nd Row:** Beth Skillman, Barbara Steele, Cyndie Morin.

Last year, an exchange program was established at Lee with no connections with a set exchange program. Contact was made with the Oxford, England, school system and as a result, four Lee students went to Oxford for three weeks and returned with four English students who spent three weeks here in Springfield. This year the program has been continued and expanded. Five girls were chosen—on the basis of interviews—and they will attend schools in Oxford for three weeks. A week after their return to Springfield the English girls will arrive to spend three weeks here.

Mexico, here we come! Soon, we will be spending three weeks in Mexico city, living with a Spanish speaking family and attending a Mexican school. We hope to really soak up the language and to come back to the States with a better understanding of the Mexican culture. To try for the exchange program, we had to turn in an application stating our reasons for wanting to go to Mexico. We had an interview in front of several teachers from Lee and some of the parents of the girls who went to England last year. We look forward to a wonderful stay south of the border, in Mexico.

After a slow and difficult start, the Lancers came on strong in the second half of the season by winning three of their last four games. Even during the first six games, Lee was never out of the fight, they simply needed to learn how to win. Once they accomplished that feat by stomping Madison for a Homecoming victory they became one of the finest teams in the Gunston District. As a result of such a fine seasonal effort, Larry Cushman was named to the All-District and All-Northern Region teams; while Milt Schultz and Jack Baumgartner were named to the All Gunston District team.

Although the Lancer varsity basketball team suffered its most disappointing season in years, the prospects for the future seem bright. Promising Junior players demonstrated that with a bit more experience they will become the members of a much improved team. Probably for the first time in many years, instead of losing starting players through graduation, the seeds of championship were sowed in the Freshman and J.V. teams. These seeds should spawn into a varsity team ready to challenge for the district title.

CLASS OF 1972

As Juniors we can look behind us and remember the past two years as years of growth and experience. We have used these memories to make our Junior year a truly great one. What lies ahead for us in our Senior year is up to us, both as individuals and as a united class. We have seen what we can do and as rising Seniors we know we must try to strive just a little harder. With this in mind, the class of '72 hopes to have a prosperous Senior year.

CLASS OF 1973

Every one of our high school years is an important step in our lives. Our Sophomore year has been a very special one—one of working together, of striving to be recognized, of having our voices heard and our opinions respected. The experiences we shared, the joys and the heartaches, drew us closer together and gave us memories to cherish as we progressed one step closer to our graduation.

We finally made it! High school at last! This has not been an easy year. It has been one of confusion and frustration for most. Small problems and large, good times and bad times have drawn us together and we feel that our class will be a special one. We have already proved this in our school spirit and in our enthusiasm for Robert E. Lee. Our other years will be good ones, but each of us will have special memories of this—our first year.

IT'S ABOUT THAT TIME . . .

As the year draws to a close, we look back with pleasure upon the events that have filled our cup of memories to overflowing. We have attempted to capture the best and most outstanding of these memories between the covers of the 1971 Shield. We should consider ourselves very fortunate to have an advisor as capable as Mrs. Glenda Burgess to help us over the rough spots; and I feel that we cannot adequately express our thanks to our lay-out editor Cheryl Funk, photographer, Linda Kaplan and typist, Patti Weathers, whose patience and cooperation were truly astonishing and always appreciated. The staff also wishes to acknowledge: Mr. E.C. Belote for sixteen beautiful girls and a lot of encouragement; Pete Shatswell for last minute phone calls and pictures; Mrs. Sanders for a hundred purchase orders; Mr. Hatcher for clues for sharper pictures; Mr. Settle for locks, a lamp shade and putting up with all our female complaining; Mrs. Ryan for identifying pictures; Mr. Baumgartner for the phone call to New York and "smile girls"; General Norell for opening doors and all the times we got caught in the halls without a pass; Mrs. Arthur Stevens and Cheryl Stevens from ads to transportation; our parents for letting us stay up all night; our teachers who allowed us to cut classes; and last but not least, Mr. Ellis, our representative from Hunter Publishing Company. We hope that we have succeeded in our endeavor to present a good yearbook to you. With the sincere wish that each of you will find among these pages something special—something you will remember for a long, long time—we give you the 1971 Shield.

Wall Fields,

What can I say? It's not over, not for us anyway. For the past three years, I've really gotten to know a really fantastic gal. All our good times and the fact that we can't get really angry w/ each other, open to show we have a friendship like no other.

Don't ever ~~forget~~ our goodtimes. Skipping, going downtown to good ole "Ebbits", visiting the graveyard, sitting the dirt and getting the shit scared out of us because of a stupid duck! And the brownies of course, Jr. Sr. basketball, both years, donkey basketball and a million other things that are impossible to name. It's all been great, but it's nothing compared to what's coming the next 4 years. Look out Mercer! Here come the drunks!

Well, I can honestly say I've never had a friend quite like you. You've always been there when I needed you, + you've always been able to answer my problems, never thinking of yourself + your own feeling. Yes, thanks for backing me, even when you knew I was wrong. In other words, thank for being you, and being my bestest buddy!

God bless a truly beautiful person.

Love You Forever,
Marsha
